## BASINGSTOKE & DISTRICT TABLE TENNIS ASSOCIATION

Welcome to the 2023–2024 Table Tennis Season.

As I announced at last season's AGM, this will be my last year as chair of BDTTA. I took on the role in 2014 with the intent of doing it for maybe 5 years, but one thing led to another so this is now my 10<sup>th</sup> year in the role and it feels like the right time to hand over to someone else to lead the association. Over the last 10 years I've had the pleasure of working with Gill Larking, Charlie Smith, George White, Avril Waters, and now Pete Martin as presidents, and have been delighted to be able to confer honorary life membership on six outstanding contributors. Of course, I have also benefited from a supportive and active committee that has been vital in keeping our sport alive in Basingstoke. As is the case with any sport, table tennis needs administration if it is to flourish, so if you feel able to fill the role of chair, or any other role on the committee for that matter, do get in touch.

Like other racquet sports, table tennis continues to decline at a local level. The pandemic in particular had a significant impact and recovery from this has been slower than we would have liked. However, at the national and international level, England is seeing great improvements in performance. We need to use these successes to build interest locally and restore player numbers. Doing this will benefit us all, through increased and more varied competition, as well as access to better facilities. You can help by encouraging ex-players to pick up their bat again and by identifying friends and family who might like to take up the sport.

We have a great coaching offering that can hone old skills or develop new ones, to get players ready for league play. We now have 4 active coaches, but we could do with more so that we can improve our capability still further, so if you are able to support our coaching team we would love to hear from you. Budding coaches will be supported through the training process and we will even pay for the cost of gaining your licence. Even if you don't want to become a qualified coach, we still need help with running the sessions from putting up tables to feeding balls to the youngsters and you don't need to commit to coming along every week.

If I've learned one thing over the last 10 years; its true what they say, you do get out what you put in. So, what's stopping you? Get involved.

I wish you the very best of luck this season.
